SUMMARY

5th-semester Computer Science student at BINUS University with an interest in UI/UX Design, Front-end Development, and Software Engineering. Experienced in building mobile and web applications using Flutter, Dart, React, and TypeScript, as well as integrating REST APIs. Also experienced in designing user-friendly interfaces with Figma and translating designs into functional applications. Seeking internship opportunities to gain real-world experience, contribute to software projects, and continue growing as a developer.

EDUCATION

Bina Nusantara University (BINUS)

Bachelor of Computer Science

Tangerang, Indonesia

2024 - 2028
